Mr. Mike Henderson
Jos. J. Henderson & Son
4288 Old Grand Ave.
Gurnee, IL 60031-2734

Dear Mike,

I am please to inform you that Jos. J. Henderson & Son has been selected by a panel of judges to receive the first LCCA "Award for Project Excellence", or **APEX**. The award is presented to a construction project in Lake County nominated by a LCCA member, that represents the best of Quality Construction, Design/Engineering, Impact on the Community, Spirit of Cooperation and Safety Record. This year the judges have selected the Lake Forest Water Treatment Plant Rehabilitation as the award winner.

The award will be presented at the LCCA Annual Meeting on November 17 at the Crowne Plaza Hotel in Mundelein, IL. We would like to offer you **two free tickets** for representatives of the owner you might want to invite to participate in the presentation. Just call the LCCA Office with their names and affiliations prior to November 15. We will also be acknowledging the other LCCA members who participated in the project. If you have not registered, please call the LCCA Office or go to www.lcca-il.org/events and register online.

Congratulations.

Sincerely,

Gary L. Dowty
Executive Vice President

Cc: Rick Grabowski, Awards Committee Chair
